

2022 Training Course Schedule

We have a variety of Level 1 and 2 NDT courses scheduled for 2022 at IMechE Fife NDT. We also offer Industrial Coatings Applicator Training Scheme (ICATS) courses, accredited by the Institute of Corrosion.

If you require a course or date not on the list below, please get in touch and we will try our best to accommodate your needs. We also offer online Level 2 NDT blended and Level 3 online courses and a range of online ICorr courses.

Book your course

To reserve your place or for further information, please contact our customer services team: +44 138 366 9004 or fifeNDT@imeche.org.

Online Training Courses: ICorr

Online Level 2 Courses

Level 2 Passive Fire Protection (PFP) Coating Inspector (Epoxy)

Students can undertake their training and examination online.

Sign up online, anytime.

Online ICorr Recertifications

Recertify your ICorr certificate online, at any time. Methods included:

- Level 1 Protective Coatings Inspector
- Level 2 Protective Coatings Inspector
- Level 2 Insulation Inspector
- Level 2 Pipeline Coatings Inspector
- Level 2 Hot Dip Galvanising Inspector
- Level 2 Passive Fire Protection (PFP) Coating Inspector (Epoxy)

Online ICorr Transition Examinations

Hold an existing Coating or Painting certification? Transition to the Institute of Corrosion scheme by taking an online transition course. Methods included:

- Level 1 Protective Coatings Inspector
- Level 2 Protective Coatings Inspector
- Level 2 Pipeline Coatings Inspector
- Level 2 Passive Fire Protection (PFP) Coating Inspector (Epoxy)
